Dragonflies After School & Holiday Clubs

Our after school club operates from Ivy Lane School providing fun and exciting activities in a safe environment where children can be themselves.

All about us

We aim to provide a safe and exciting environment for children after school with a wide variety of activities to suit everyone's interests.

Current activities include; crafts, construction, art, carefully selected computer games, quiet corner, role play, board games, forest school activities and lots more.

CRB checked and fully trained Staff are available to support your child with homework and activities. Laptops as well as PC's are available. Staff will get to know your child as an individual to ensure that their individual needs are being met as well as encouraging them to develop relationships with the other children.

We work in close partnership with Ivy Lane School but accept children from other Chippenham primary schools.

Snacks and Meals

Snacks are available to children arriving at 3pm and a light tea is served at 4.15pm. We aim to involve children in making healthy choices and provide balanced, healthy and nutritious snacks and drinks.

Drinks are available throughout the sessions.

Registration

We require all children to be registered prior to attending the club. This requires completing a registration form which is available from staff at the club or by e-mail.

Staff will collect all children from the playground at Ivy Lane School and transit them to the club accommodation. Please ensure children are collected promptly at the end of their session.

Parents as Partners

Dragonflies After School Club is committed to a continuous process of improvement by listening and responding to children, parents and keeping up to date with current practice. We provide regular newsletters and welcome parents to share their views and ideas with the management and staff.
