Dear Parents

RE: Year 4 trip to the museum and market

Our theme this term is 'Tractor and Turnips'. To support our learning in this theme we are teaching the children how to cook with ingredients grown on a farm and learning about farming in history.

In addition we have been invited to take over the museum in Chippenham. This is a project that inspires the children with objects from history and shows them how to create and run their own exhibition.

To support the launch of this project we will be visiting the museum on Friday 22nd September. We will be walking to the museum at 1pm and returning before the end of the school day. Here, the children will get their first taste of the space and management of the museum and gain inspiration from the artefacts there. Watch out Chippenham!

In order to make some healthy soups we would like to give the children the opportunity to visit the local market and purchase the ingredients that they have chosen. We will be walking from school to the market on Friday 29th September at 1pm and will return before the end of the school day.

For both visits the children will need to wear their school uniform on the day and also bring a warm coat. If you are able to walk with us and support a group of learners, please let the office or your teacher know.

We are really looking forward to these exciting experiences.

Yours sincerely

Mrs Schonfeld & Miss Spooner
