Dear Parents,

Re: Sports Relief Skip-a-thon Challenge

This year for Sports Relief, we want to get the pupils active to raise money for charity and some additional bike and scooter storage for use by all the children at Ivy Lane.

Skip-athon – Friday 23rd March

Each class will have a child skipping for the whole of the school day (8.50am-2.50pm) – 6 hours of skipping per class. Children will take it in turns to skip continuously (including break & lunchtime – hopefully overlapping so there is not a second gap!). That's a total of 84 hours skipping.

We aim to raise money **jointly** for **Sports Relief** and to contribute towards some additional **cycle and scooter storage at Ivy Lane**. A sponsorship form is attached to enable friends and family to sponsor your child's participation in the event.

We need to know if children will be taking part and that you will support them in their fundraising so we can organise the day. To give permission for your child/ren to participate please log onto your ScoPay account and click on the blue wording [Sports Relief 2018](#) and then tick the Permission Box and the Sponsor Support Box.

Sports Relief Muffi – Friday 23rd March

All pupils are welcome to wear sports kit for the day (Instead of school uniform). If your child has raised money via the skip-a-thon, then they've done their bit for Sports Relief at school. However, for those that haven't joined in, we would like children to bring a £1 donation to go towards Sports Relief (not the school).

Please return your sponsorship form along with any money raised in an envelope marked Sports Relief to the school office by Wednesday, 18th April.

Thank you for supporting your child and the school.

Yours sincerely

Mr C Cannings
