Interim Head of School: Mrs D Burchett

10th October 2018

Dear Parents of children in Y3 Griffiths and Walliams Classes,

Re: Gymnastics Sessions with Chippenham Moonraker Gymnastics

We are delighted to inform you that all Year 3 children will attend 7 gymnastic sessions at the Olympiad. The sessions will replace one of your child's regular PE slots on the dates shown.

Lessons will take place on Wednesdays for Griffiths Class and Fridays for Walliams as follows:

Griffiths	Wednesday	14 th , 21 st and 28 th November	5 th December	9 th , 16 th and 23 rd January
Walliams	Friday	16 th , 23 rd and 30 th November	7 th December	11 th , 18 th and 25 th January

The sessions will take place after lunch. Griffiths class slot will be 1.30pm – 2.30pm and Walliams slot will be 1.40pm – 2.40pm. The children will be walking to the Olympiad Leisure centre for these sessions.

Please ensure your child's PE kit is in school on each of the dates shown.

As the Friday gymnastics sessions for Walliams is taking place slightly later in the day, the children will be leaving the Olympiad to walk back to school at 2.40pm, pick up their school uniform on return and will leave school wearing their PE kit. **Please ensure that their PE kit is returned to school on the Monday morning.**

We are subsidising this using our Sports Premium Funding, so we will not be requesting a parent contribution.

There will be 3 gymnastics coaches and a specialist gymnastics area with air floor and all gymnastics equipment provided by Chippenham Moonraker Gymnastics.

If any parents would be available to help us walk the children to and from The Olympiad, we would be really grateful for your support. Please contact your child's class teacher or the school office if you are able to help us. Many thanks.

Yours sincerely,

Mr Faulkner, Mrs Kalbskopf & Mrs Horan
Griffiths & Walliams Class Teachers.
