5th September 2019

Dear Parent of Hughes, Griffiths and Hargreaves

RE: National Deaf Children's Society (NDCS) roadshow – Wednesday 11th September 2019

Next week, Ivy Lane School will be welcoming the NDCS roadshow, who are coming to share some amazing technology used by people who are deaf or have partial hearing loss. Your child's class has been selected to take part in a workshop during the day.

If your child is deaf or has partial hearing loss (if they wear hearing aids) then they will be invited to the first workshop which has been specifically tailored to give them the opportunity to try out some of the specially designed technology, as well as finding out more about the fun activities NDCS offer during the holidays. If your child wears hearing aids, please make sure they are wearing them on the day.

All other children will attend a workshop which helps to raise their awareness of the challenges deaf people may face, and they will also look at the technology available to help them. This is a fantastic opportunity for our children to learn more about valuing others and how we are all different.

If you have any further questions please contact our school office who will forward any messages on to me so I can then contact you, but we are sure your child will enjoy the experience and learn something very valuable.

Yours sincerely

Mrs Smith
Assembly and RE Lead
