Ivy Lane Primary School Nursery Consultation

Dear Parents/Carers,

I'm writing to inform you that from January 2022, Ivy Lane Primary School are planning to provide their own nursery. This FS1 provision will be accommodated within their new build, alongside the current FS2 provision and Y1 classes. The addition of a nursery will alter the school age range from 4-11 to 3-11-year olds.

The nursery will enable the school to provide our growing local population with an all-inclusive setting, of high-quality Early Years Provision, and allow the school to work cohesively with other local Early Years Settings and external agencies.

Please see attached our vision and values for our nursery, for further information.

We are currently liaising with the DFE to formally recognise this change of age range and as part of this process we are consulting with members of the community. If you have any comments, questions or feedback you would like us to share with us please email us at nurseryconsultation@ivylane.wilts.sch.uk by Monday 26th July.

Thank you in advance for your consideration.

Kind regards,

Mrs H Lammin
Head of School
