Dear Parents/Carers

**Re: Changes to Sports Coach Led After-School Clubs – Introduction of Paid Clubs**

As we approach the end of another busy school year, we wanted to inform you about an upcoming change to our **sports coach led** afterschool club program at Ivy Lane.

Starting from September, we will be partnering with our external PE providers (In2Sport and UpandUnder) to continue to offer a wide variety of sports afterschool clubs for the children. These sports coach led clubs will be fee-based, and the charges will be paid directly to the providers.

Detailed information about the registration process, club options, and associated fees will be shared with you in the coming weeks. We encourage you to review these materials carefully and take this opportunity to select clubs that align with your child's passions and aspirations.

We want to assure you that we remain committed to providing an inclusive and well-rounded education for all the children. While participation in sports-led after-school sports clubs are now fee-based, we will continue to offer various extracurricular opportunities that will be teacher led, throughout the school year.

Should you have any questions or require further information, please feel free to contact us. We greatly appreciate your ongoing partnership in creating a vibrant and engaging learning environment at Ivy Lane School.

Yours sincerely

*M Johns*
