Dear Parents/Carers

This term we have once again decided to participate in a 'Christmas Design Project' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school.

Your child has been creating his/her own Christmas design which can be professionally printed to produce personalized Christmas Cards, Gift Labels, Wrapping Paper and/or Mugs.

Not only would it be very exciting for your child to see his/her work as a finished printed product, the cards themselves are great for sending a more personal greeting to friends and family at Christmas and the Mugs are great for gifts!

The artwork created by your child in school will be coming home over the next few days.

Orders and payment must be made online using the unique code located at the top of the pupil order form. Please refer to your order form for further instructions.

Each order form must be unique so please do not photocopy the form for other members of your family you can get extra copies from your school.

Please click on the link below for more detailed information about this fundraising project:

Once you have placed your order online, please ensure your completed order form is returned back to school by Monday 5th October as these will be then sent to the Cauliflower Cards company for orders to be placed. Without the completed returned order form, your order will not be processed by the company. Please ensure that you adhere to the deadline date above as we are unable to accept any late order forms after Monday 5th October.

Items ordered will be delivered to school by the beginning of December.

Yours sincerely
